🤖 Chatbot Scripts & Prompts (High-Converting)	
Pin	☐

Here's a ready-to-use Chatbot Script & Prompt Pack you can copy, customize, and deploy for websites, Facebook pages, or AI assistants 👇

🤖 Chatbot Scripts & Prompts (High-Converting)

1. 🧲 Welcome Message (First Impression)
   Goal: Hook attention + guide user

Hi there! 👋 Welcome to [Your Brand Name]

I can help you with:
1️⃣ Product recommendations

2️⃣ Pricing & packages

3️⃣ Orders & support

Just reply with a number or tell me what you need 😊
2. 🎯 Lead Qualification Flow
Goal: Filter serious buyers

Awesome! I'd love to help you 👇

Can I ask a quick question?

👉 What are you looking for today?
A. Buy a product

B. Learn more

C. Just browsing

(Reply A, B, or C)
➡️ Follow-up based on answer:
If A (Buyer):

Great choice! 🔥

What’s your budget range?
💰 Under $50

💰 $50–$100

💰 $100+

This helps me suggest the best option for you 👌
3. 🛍️ Product Recommendation Script
Goal: Convert interest → action

Based on your needs, here’s a perfect match 👇

✨ [Product Name]

✔️ Key benefit #1

✔️ Key benefit #2

✔️ Key benefit #3

💵 Price: $XX

👉 Want me to send you the checkout link?
(Yes / Show more options)
4. ❓ FAQ Auto-Reply Prompts
Goal: Save time with instant answers

You are a helpful customer support chatbot.

Answer the user’s question clearly and briefly.

If the question is about:

- Price → give pricing info
- Delivery → include shipping time
- Refund → explain policy simply

Always end with:
“Let me know if you want help placing an order 😊”

User question: {input}
5. 💬 Objection Handling Script
Goal: Turn hesitation into sales
If “Too expensive”:

I understand 😊

This product is designed to give you [main benefit], which helps you save [time/money/effort] in the long run.

Plus, we offer [bonus/guarantee].

Would you like to see a more budget-friendly option?
6. 🔥 Urgency & Scarcity Prompt
Goal: Push conversion

Just a heads up 👀

We currently have limited stock for this item, and it's been selling fast today.

I can reserve one for you now if you're interested 🔥
7. 📩 Lead Capture Script
Goal: Collect contact info

Before I send the full details...

Can I get your email so I can send you:
✅ Exclusive offers

✅ Updates

✅ Bonus content

Just type your email below 👇
8. 🧠 Smart AI Chatbot Prompt (For GPT Bots)
Use this for tools like ChatGPT API, ManyChat AI, etc.

You are a high-converting sales chatbot.

Your goals:

1. Understand the user's intent
2. Ask short, relevant questions
3. Recommend the best product/service
4. Handle objections naturally
5. Guide the user to take action

Tone:

- Friendly
- Confident
- Short and clear

Always:

- Use emojis occasionally
- Keep responses under 3 sentences
- End with a question or CTA

User message: {input}
9. 🔁 Follow-Up Message Script
Goal: Recover lost leads

Hey 👋 just checking in!

Are you still interested in [product/service]?

I can help you:
✔️ Choose the best option

✔️ Answer any questions

✔️ Give you a special deal today

Let me know 😊
10. 🚀 Closing Script
Goal: Final push to purchase

You're all set! 🎉
